Projects

Tawjihi.ai | React, Python, FastAPI, TensorFlow, PostgreSQL, AWS

- System Design: Re-engineered LLM pipelines and fine-tuned models on transaction data, increasing recommendation accuracy by 27%.
- Partner Support: Developed and validated scalable REST APIs for 500+ active users, ensuring compliance with financial standards and high availability.
- Stakeholder Alignment: Worked cross-functionally with product leads to ensure AI features met business objectives and supported timely product releases.

CAPE | React, Node.js, Astro, Chart.js, MongoDB, SQL, Python

- Architected and implemented an online examination management dashboard with modules for statistics, student info, and study materials.
- Implemented and visualized a subject-filtered study materials section, optimizing user navigation and engagement.
- CAPE stands for the Comprehensive Assessment Platform for Education
- Restructured layout to display student details alongside upcoming exams and automated real-time updates, boosting load efficiency by 30%

Publications

Machine Learning-Based Automated Proctoring Engine (CAPE)

- Implemented predictive behavioral classifiers using Support Vector Machines (SVM) and facial landmark tracking, effectively filtering false positives to achieve an 88% True Detection Rate (TDR)
- Architected a highly scalable backend API using Django REST Framework to process concurrent video and audio telemetry, ensuring secure state management, low-latency tab-switch detection, and real-time anomaly alerting

Achievements

- Technical Leadership:** President of the Cisco Community at VIT Bhopal, driving technical initiatives and events
- Algorithmic Proficiency:** Solved 300+ DSA problems on LeetCode and achieved a 1600+ rating on GeeksforGeeks.
- Competitive Hackathons:** Secured rank 2790 in the Goldman Sachs India Hackathon and ranked in the Top 30 at the university level for SIH.
- Cloud & Open Source:** Earned 8,000+ points on Google Cloud, completed 30 Days of Arcade, and contributed to Hacktoberfest.
- Extracurriculars & Languages:** Japanese Level 12 (N4/N5 equivalent); State-level athlete and debate representative.
